After receiving two bids for contracted services

## Elba city leaders continue discussions on garbage collection options for customers

by Linda Hodge, Editor

City of Elba officials held a bid opening Monday, Oct. 28, for garbage collection services, and those bids were discussed by the Elba City Council during a Nov. 12th work session.

During the Nov. 12th council meeting that followed the work session, the council voted to table the discussion on the garbage collection bids.

Currently the city handles its own household garbage collection services, but council members are considering making a change to hire a contractor to supply those services instead. Thus, the need for the bids.

Only two companies submitted bids. There were Mark Dunning Industries (MDI), and Martin Environmental Services.

During the Monday, Nov. 18, Elba City Council meeting, Heath Sadler a representative of MDI addressed the council on behalf of his

### Governor Ivey awards grants to assist assault and domestic violence victims

Governor Kay Ivey has awarded \$2.3 million to ensure support for children and adult victims of abuse, sexual assault and other types of cruelty in multiple counties in Alabama.

The governor awarded the grants to six agencies throughout Alabama that provide critical services for assault and abuse victims. The offenses range from human trafficking, domestic violence and child abuse.

"Violence against any individual is an abhorrent act, and offenders should be arrested and punished. Victims, meanwhile, deserve to have access to services that support them through these terrible ordeals and helps heal the physical and mental scars they suffer," Gov. Ivey said.

"I am awarding these funds with confidence that these agencies will provide the essential assistance that these victims require."

Gov. Ivey awarded the

company.

"Our expertise is with municipalities," Sadler said. "We come in and do the exact same thing you do but hopefully at a lower cost. Mrs. Bane has been awesome to work with for the city, and I am here tonight to answer any questions you may have for me."

Council member Jane Brunson asked Sadler if he believed the numbers presented in the MDI bid would save the city money, and he said he did believe it would. However, council members discussed several concerns they had with the bids at the current specifications.

Later in the meeting there was discussion of potentially rejecting all bids and starting the process over with some tweaks to the specifications that the council hopes would get result in even lower bid prices.

Council members did not vote during this week's meeting to remove the topic from its tabled status. City

clerk Sally Bane reminded all that the bids were only good for 30 days and would expire before the next council meeting.

It was the consensus of the council that further discussions needed to take place before any decisions/changes are approved and made. Therefore, the council agreed to a work session on Tuesday, Dec. 3, to continue more discussions on the city's garbage collection services.

If the council chooses to not rebid for contracted garbage collection services after the next work session, it will continue to provide those services in-house. Bane noted if the city continues to provide the services in-house, the council will be looking at the need to purchase a new garbage truck in the near future.

No votes were taken during the Monday, Nov. 18, council meeting, and the current bids remain tabled.

### Elba woman killed in Friday night accident

A single-vehicle crash that occurred at approximately 9 p.m. Friday, Nov. 15, claimed the life of Susan D. Harrison, age 66, of Elba.

She was fatally injured when the 2015 Honda Civic she was driving left the roadway and struck a tree, according to Alabama State Troopers. Harrison was not using a seat belt at the time of the crash and was pronounced deceased at the scene.

The crash occurred on Alabama Hwy. 87 near the 36-mile marker, approximately three miles north of the Elba city limits, in Coffee County.

Troopers with the Alabama Law Enforcement Agency's (ALEA) Highway Patrol Division investigated the accident.

The Coffee County Commission met Wednesday morning, Nov. 13, and the newly elected commissioners were sworn-in to serve the next four years. The new commission includes four returning members and three new members. Returning commissioners elected by their constituents were Kim Ellis - District Two, Sonny Moore - District Three, Jimmy Jones - District Five, and Jim Thompson - District Six. After all were sworn-in for the new term, commissioners voted to name Kim Ellis at the chairman for this next year. Above, Coffee County Probate Judge Jodee R. Thompson administers the oath of office to newly elected Commissioner Clint Grantham as his wife holds the Bible for him for his swearing-in portion of the meeting. The Coffee County Commission will meet again Monday, Nov. 25, at 9 a.m., in New Brockton.

### CCBOE approves one-time supplemental pay for personnel upon recommendation of superintendent

by Linda Hodge, Editor

The Coffee County Board of Education voted Thursday evening, Nov. 14, during its regular board meeting to approve a one-time supplemental pay for certified and classified personnel upon recommendation of the superintendent.

In recommending the action superintendent Kelly Cobb noted that board members had a letter in their meeting packet and had been emailed information on the matter, and she asked the board to approve the one-time supplemental pay. No further specific details were provided.

Board member Sherry Eddins did ask if this would take place before Christmas, and Cobb said that is the plan. She added that she would let board members know when everything is finalized.

The board also voted during the meeting to approve a compensation increase for board members. Board vice president Mike Bailey made a motion that compensation for the board members be increased to \$900 per month as allowed by Alabama Code.

"Is this money coming from the school system?" board members Eddins asked. The superintendent said it does.

The motion to approve the compensation increase passed.

Board president Galen McWaters noted this would be the first increase in pay for board members in over 20 years.

Several personnel matters were approved by board members during the meeting.

Amanda Jordan, teacher at Zion Chapel High, was granted leave beginning Oct. 10th and continuing through Nov. 18, tentatively.

Lougener Wyrosdick was employed to be the district-wide career coach for Coffee County Schools, and Marlee Boswell was approved for employment

under a TEAMS contract at New Brockton Middle School [she was already employed there - this action just changed her employment status to TEAMS contract].

Regarding classified personnel, the board approved leave for Chancey Sessions, bus driver at Kinston. This leave is tentatively set for Dec. 20th through March 10th.

Two bus driver resignations were accepted. These were Patrick Grantham and Lawrence Creel.

The board approved the hires of Emily Morgan as a CNP worker for New Brockton High School, and Landra Free as a bus driver for the school system.

Also, during the meeting, the board elected its officers for the year as Galen McWaters was nominated and approved to continue serving as board president while Mike Bailey was nominated and approved to continue as board vice president.

The next Coffee County Board of Education meeting is set for Thursday, Dec. 12, at 5:30 p.m., at the BOE office in Elba.

Cuzin Lou Lou apologizes to her Yonder Gang fans for being absent from the newspaper the past few weeks... Lou Lou recently found herself being handed some new prescriptions from her doctor, and... well...getting used to the new meds took a bit of time. The good news is...she is feeling some better and is ready to share some new tales from the gang!

Now, it is no secret that Little Bean is a tad spoiled, and there is no end in sight for that either!

Recently, Lou Lou purchased a used golf cart for the gang to enjoy. The main purpose for the cart was to use around the neighborhood and country club...at least that is what Lou Lou thought when she made the purchase.

It has crossed her mind that Little Bean also would enjoy taking rides on the cart. What did not cross Lou Lou's mind was those rides would quickly become the main focus for Sister and the little monster.

When Lou Lou first made the purchase, Sister was not completely on board, but that quickly changed after one Friday afternoon when Sister and Little Bean had tons of fun riding around the neighborhood and round and round in the yard! When Lou Lou got home from work that day, the two convinced her to take a ride with them...with Sister driving!

It didn't take Lou Lou long to realize she needed to grab something and hold on tight when Sister is behind the wheel. They would be riding down the road, and suddenly without warning, Sister would whip that thing around and head in

the opposite direction. It's a good thing the cart does not move very fast otherwise Lou Lou might have fell out on some of those quick turns!

"What in the name of Yonder," Lou Lou would yell!

Sister would just laugh and keep going! The monster on the other hand wasn't worried at all. When she gets on the cart, she takes her spot on the seat in between Lou Lou and Sister and just rides. She takes in the scenery and never makes a sound!

Not only is she the queen of the house...she now is the queen of the golf cart too!

All Lou Lou, Sister, or Papa has to do is look at Little Bean and ask, "Want to go for a ride on the cart?", and she immediately starts jumping up and down and heads for the door!

Last weekend, Lou Lou and Sister took the monster for her grooming appointment. Knowing the groomings tend to put Bean in a "bad mood" the plan was to immediately take her on a ride upon returning home because that might help the situation. It did!

As for Sister...well, she decided right away that she had forgotten how much she enjoys riding a golf cart. So, all is forgotten now that she wasn't exactly "on board" with Lou Lou purchasing it. Now, she drives it probably the most of anyone, and she has even been caught looking for a new, upgraded version already!! She never admit that Lou Lou made a good decision, but the proof is in the enjoyment this time around!!

Until next time...God Bless and Keep Smiling!

## Windy Thoughts

with Linda Hodge, Editor

We were less than impressed with the public announcer for the Elba vs. Linden football game last Friday night in Linden. The AHSAA supposedly has rules against the type of announcing we heard that night, but those rules did not seem to apply there. We even saw a representative of the AHSAA walking the sidelines during the first half of the game, and we were wrong in thinking that he might put a stop to the "cheerleading" the announcer was doing for the home team over the PA system. As we understand it, the game announcers are not supposed to show overwhelming bias in their announcing for the high school games per AHSAA rules. Well...that rule obviously is not enforced because that was the most biased announcing we have heard in a long, long time. If the rules are not going to be enforced, they might as well throw 'em out the book! We realize most high school game announcers can't help but show a little favor to the home team...after all, most are fans themselves. But, to take it as far as the announcer did in Linden last Friday night was just embarrassing for all, especially considering this was a playoff game. Oh well...at least "our" team got the win even if it clearly was not a favorite of the game announcer.

We've noticed the city has hired someone to do some pressure-washing of the sidewalks around the downtown square in Elba. We are glad to see this work being done! Based on the results we have seen, it was clearly past time for the concrete to be cleaned. We hope this is a sign of an overall effort being made by the city to focus on working to make sure the entire city looks clean and welcoming to the residents and visitors!

Just this week, we heard from a concerned citizen that is employed in Elba. She said she loves the city, but she does not even consider moving her family here because, unfortunately, she finds the "dirtiness" to be too unattractive. She said she wants to raise her children in a city that loves and takes care of it and works together to keep it clean. We certainly cannot blame her for that, but we also don't want such a reputation for our beloved city. The concerned citizen added that she keeps trash bags with her as she works, and she takes time to pick up trash whenever she can to help. We should all be as concerned and considerate as this citizen. We must work together to keep our city clean! The little things add up, and if we all will work together, we could eradicate this issue.

The county schools of Zion Chapel, New Brockton, and Kinston all are sending cheerleading squads to the state competitions this week. These young ladies have worked hard to reach this point, and we wish them well as they represent their schools and communities! Good luck and have fun, ladies!

We are not a huge fan of the "get dark early" this time of year, but we sure are glad we do not live in Utqiagvik (formerly Barrow), Alaska. We saw a report on Monday noting that after sunset on Monday, the sun would not rise again there until Jan. 22, 2025...that will be 64 days with no sun!! It will not be pitch black for those 64 days. They will experience twilight. But still...that is a no from us. Again, we'll take early sunsets here any day over that and will not complain any more about it getting dark sooner than we would like each day because we know the sun will rise again the next day! Over the next 60 days or so, if you get down and out because you don't think you have enough 'daylight' to satisfy you...just remember the folks in Utqiagvik, and you'll feel better quickly. We guess the old saying is true...when you think you have it bad, just look around. There is someone else that has it even worse than you.

It's flu and cold season again, folks! Be sure to wash those hands often, and cover those coughs and sneezes! Let's each do our part to try and stop some of the spread of these ugly germs...the holiday season is upon us and no one enjoys being sick any day...but especially during the holidays.

Will the Funeral Home Help Process My VA Burial Benefits?

This is a standard service offered without charge, by law, by all funeral homes. Burial benefits apply to all honorably-discharged Veterans and may include, depending on the Veteran and their family's wishes, everything from headstones and memorial plaques to an honor guard and bugler for the burial ceremony itself. There are also possible financial benefits associated with burial costs, and an experienced funeral director understands how to process those applications most effectively.

Veterans and their families who take advantage of a trusted funeral director's services in advance of their time of need will be able to avoid most of the normal frustrations of dealing with the VA, military and civilian "benefits bureaucracies". For example, prior to applying for any burial benefits, the Veteran or their family must have a copy of the Veteran's DD-214, and many people either can't find those discharge papers or have lost them. Helping to obtain this critical document is often the first task that a funeral director accomplishes for the family. Also, if the Veteran has other forms of burial coverage, such as company or lodge benefits, the director is the right person to coordinate obtaining the maximum benefits owed from every source, not just from the VA and the Branch of Service.

Many families these days are going beyond the standard military burial for their honored Veteran and are creating lovely and lasting memorials that commemorate their service and their lives. Funeral homes and cemeteries often have special areas for Veterans and family members and are always happy to discuss personalized burial and commemoration plans, especially if there is plenty of time to plan ahead.

*Our daughter Melissa is already decorating for Christmas and apparently all the decorating has put our grandson Lawson in the holiday spirit as he has already told us a couple of gifts he wants under the tree. So far his wish list isn't very long, or expensive, but we are still over a month from the big day, and I imagine the list will grow quite a bit in the days to come.*

### For what it is worth....

\*\*\* The Elba Tigers posted a big 49-14 road playoff win over Linden last week to keep alive their state title hopes and for the second straight week showed they could put points on the board and at the same time showed their defense was continuing to get better and better each and every week. The Elba offense scored on nine of its initial eleven possessions to light up the scoreboard and once again was sparked by its running attack, which rolled up almost 10 yards per carry in 39 running plays, with three different players crossing the goal line and eight different players toting the ball. The offense just lined up and attacked the Linden defense, and it obviously paid dividends! Over on defense, the Tigers bent at times and gave up almost 300 yards in offense to the high-powered Patriots, but twice turned back scoring threats inside their own 10-yardline, and came up with two big turnovers that both led to points. The defense has been much maligned after a slow start to the season, but Friday night showed it had some grit and made a number of big stops that kept the momentum on the Elba sidelines. It was a good win a long way from home, and one that should put even more spark and determination into the players.

*A few observations from last week's trip to Linden....* The PA announcer/cheerleader sponsor kept the spirit for all four quarters trying to keep the Patriots fired up despite the mounting deficit and never threw in the towel.... The clock operator apparently didn't know how to tell time as in the first half it seemed like he ran the clock when it should have been stopped and stopped the clock whenever

it should have been running.... Visiting teams to the field should probably bring a tent with them to dress in and take a break between halves since the closest facilities were a couple of hundred yards away at the Linden High gym.... Home management should think about dividing the bleachers on the home side of the field in half, split by the pressbox, to allow the fans from the visiting schools to sit comfortably at the games, especially since there were many more empty seats than seats filled with Linden fans.... and, if you don't like the color red Linden may not be the place to watch a football game be since the team wears all red uniforms, the numbers on the field are painted red and the lights in the red scoreboard are all red.

\*\*\* *The second round* of the high school football playoffs was filled with more than its share of excitement and surprises in all classes. In 1A, Georgiana knocked off two-time defending state champ Leroy 16-14 to move on, while McKenzie saw its dream season come to an end with a 35-28 road loss to Millry. In 2A, Arifton slipped into the playoffs with a 5-5 record, but upped its slate to 7-5 last week with a 27-7 win over Clarke County, while the three south Alabama powers all advanced as Cottonwood outscored Goshen 52-24, Highland Home hammered Providence Christian 42-6 and Reeltown routed Luverne 57-14. In 3A, Houston Academy posted a big 45-33 road win over previously undefeated Thomasville, while unbeaten T.R. Miller battled past Trinity 21-7. In 4A, Jackson made short work of Bibb County 51-0, while upstart St. Michael's, led by head coach and former NFL star quarterback Phillip Rivers, moved into the third round with a 38-24 upset over Pleasant Grove. In 5A, Montgomery Catholic continued to roll along with a 43-0 win over Citronelle, while UMS-Wright, which entered the playoffs with a 4-6 record, evened its slate at 6-6 with a 7-6 win over Andalusia. In 6A, Pike Road surprised St. Paul's 44-6, while Spanish Fort was upset by Hueytown 21-14, and top-ranked Saraland kept on rolling along with a 49-14 romp over McAdory. In 7A, Enterprise advanced to the 'Final Four' with a 30-14 homefield win over Baker, while previously unbeaten Auburn was upset by Thompson 34-21 and Opelika got knocked off by Hoover 32-29 as the perennial powers moved on.

\*\*\* *The high school basketball season has tipped off* for a couple of area teams and judging from early results it looks like Kinston and New Brockton will both field championship caliber girls' teams. The Lady Bulldogs took no prisoners last week in rolling to a pair of lopsided

wins and may be even better than a year ago, while the Lady Gamecocks opened the season with a huge win over 5A Headland and then lost a four-quarter battle to perennial power Geneva. If the early-season wins are true measures of their talent, these two teams will be fun to watch this season! Zion Chapel and Brantley will hit the court soon, and both should be improved from a year ago after a solid season of learning and gaining experience. As for the boys, Zion Chapel will hit the court this week, and while the Rebels will have some players with experience, they could be in a rebuilding mode after losing their top scorers and head coach, and Brantley could be loaded once again and have its sights set on another very successful season.

\*\*\* *Ye Ole Polish Prognosticator* emailed in his picks this week, which was no real surprise after struggling last week to a 14-9 completion rate. The local guesspert made no excuses for his worst week of the season, but wrote he would keep making his fearless forecast throughout the season and here we go again....

### ELBA VS. GEORGIANA

The Pea River felines enjoyed their trip across the state last weekend and brought home a big win as a souvenir, but will be happy to be back home this week when they take the field to battle a litter of kitties that have grown claws in the post-season. The felines ran up and down the first time these two tangled in a regular-season catfight. However, this time it may be more of a fight that many expect.

# Rematch set for round three

The Elba Tigers will return home Friday night for a third round playoff match-up against their region rival Georgiana Panthers.

Elba will carry a nine-game winning streak and a 10-2 record into the clash, while Georgiana will bring an 8-4 record into the clash after posting playoff upset wins over Autauga Academy 40-32 and two-time defending state champion Leroy 16-14.

"Georgiana has been really impressive all season, especially in the last two weeks in the playoffs and have defeated two really good teams in Autauga Academy and Leroy," said Elba Tiger head coach Marc Sieving, "and we know it will come down here Friday night filled with confidence and looking to play us back for

a loss in week nine. We know how good they are from playing them the last three years in the region and expect a four-quarter battle."

"Georgiana has made an adjustment or two personnel wise," added Sieving, "but they do what they do and believe it what they do. On offense, the quarterback likes to read the defense and still looks for receivers when he scrambles out of the pocket, and they can run the ball straight ahead. Against Leroy they put together long, time consuming drives that kept the Leroy offense off the field, and at the same time put points on the scoreboard. On defense they played hard on every play and really took the fight to Leroy for all four quarters. Georgiana is filled with athletes, many

of which were on its state championship basketball a year ago, and they know what it takes to win. We know we are going to get the best effort Georgiana has shown all season and will have to be ready for a war."

"For us to win this week we have to improve in a lot of areas from last week and be ready to play our best on every snap," said Sieving. "On offense we will have to block well, both in the line and in the backfield, and finish possessions by putting points on the scoreboard. We can't get relaxed at any time, and have to play hard and be physical. On defense we have to take away the big plays, and at the same time not allow them to put together long drives that limit our touches on offense. We can watch

the film of the first game to get reminders, but they will also look at the film and try to take advantage of things we do. It is hard to beat a team twice in the same season, but it certainly can be done, and that is what we will work at this week, both physically and mentally."

When asked about last week's 49-14 playoff win over Linden, Coach Sieving stated, "It was a good win a long way from home and I thought we handled everything well. The offense played physical at the point of attack and really got after their defense, and over on defense we really played well at times and made a couple of stops that made a huge difference in momentum. The players were all focused on the challenge and met the challenge head on."

# AHSAA state prep football playoffs enter third round this week

**Tigers pound Patriots  
49-14 in round two**

Elba Tiger Alvin Henderson (2) cuts back through a hole and finds room to run. Henderson rushed for 241 yards and 4 td's in last week's 49-14 playoff road win over Linden.

Elba Tiger Jacob Ledbetter (11) eyes the endzone after taking a handoff in last week's second round win over Linden 49-14.

Elba Marching Tiger Band made the long trip to Linden last week to support the Tigers and performed their award winning halftime show.

The Elba Tigers scored two touchdowns in the opening five minutes of the second half to take command and never looked back Friday night to post an impressive 49-14 road win over the Linden Patriots, in a second round playoff match-up, in Linden.

Elba began its initial offensive series of the game at its own 30-yardline after a Linden punt and went 70 yards in seven plays to grab an early lead. Alvin Henderson rushed for 30 yards on three carries to lead the Tigers down the field, while Cayden Adkins rushed for 17 yards on two carries and scored the touchdown on a 4-yard run. Trai Davis kicked the extra-point as Elba went on top 7-0 with 5:27 remaining in the first quarter.

Linden threatened to score on its ensuing possession and reached a first down at the Elba 12-yardline behind the running and passing of Keilyn Edwards, but the Elba defense stiffened with its back to the goal line and regained possession at its 11-yardline after a fourth down sack by Michael Remley.

Linden quickly got the ball back at the Elba 33-yardline after a partially blocked punt and this time reached the endzone as on first down Edwards lofted a 33-yard touchdown toss to Jamarlon Adams. A two-point run failed to add points, but with 9:06 left in the second quarter the Patriots had chopped the Elba lead to 7-6.

Elba began its next possession at midfield after the kickoff sailed out of bounds, and the Tigers had an immediate answer for the Linden score as on first down Alvin Henderson took a direct snap, burst through a hole in the line and raced untouched 50 yards for a Tiger touchdown. Davis added the extra-point, and with 8:56 remaining in the quarter Elba's lead had grown to 14-6.

Linden threatened again on its ensuing possession and reached a first down at the Elba 6-yardline after a 56-yard halfback pass from Isiah Brown to Adams. However, the Elba defense was again up to the challenge and on fourth down stopped the Patriots six yards short of the endzone to turn back the threat.

Elba failed to cash in a scoring opportunity of its own on its next possession after driving to a first down at the Linden 32-yardline, but regained possession at the Linden 16-yardline after a high snap on a punt attempt, and cashed in the turnover on a 3-yard touchdown run by Alvin Henderson with just 25-seconds left on the clock. Davis again added the extra-point and at the half the Tigers owned a 21-6 lead.

Elba received the second half kickoff and went 61 yards in five plays to extend its advantage. Jacob Ledbetter rushed for 43 yards on two carries to spark the scoring drive, while Cayden Adkins capped the five-play march with a 4-yard touchdown run. Trai Davis kicked the extra-point as the Tigers lead went to 28-6 with 9:37 left in the third quarter.

Elba's Tyceson Davis recovered a Linden fumble on the ensuing kickoff to put the Tigers right back in business at the Patriots 36-yardline, and five plays later Elba was back in the endzone. A 14-yard pass from Alvin Henderson to Trai Davis was a key play in the scoring drive, and it was Henderson that cashed in the turnover with a 3-yard td dash. Davis added the extra-point, and with 7:02 remaining in the third quarter the Tigers lead had ballooned to 35-6.

Linden began its ensuing possession at its own 33-yardline and promptly marched 67 yards in 14 plays to get back into the endzone. The drive, which ate up over seven minutes off the clock, was sparked by Keilyn Edwards, who rushed for 55 yards on nine carries and scored the Patriot td on a 2-yard quarterback sneak. Edwards also ran in the two-point conversion to pull Linden within 35-14 with 1-second left in the quarter.

Elba out the ball in play at its own 41-yardline following a short kickoff and this time went 59 yards in four plays to regain command. Jacob Ledbetter capped the scoring drive with a 10-yard run, and Davis booted the extra-point to push the Tigers lead to 42-14 with 10:19 remaining in the fourth quarter.

Elba regained possession at its own 44-yardline after a pass interception by Brady Johnson, and from there needed only two plays to get back into the endzone, with the Tigers final score of the night coming on a 55-yard sprint by Alvin Henderson. Trai Davis again added the extra-point as with 7:20 remaining in the game, Elba had sealed the deal with the impressive 49-14 road win.

Alvin Henderson rushed for 232 yards and 4 touchdowns on 18 carries to lead the Tigers ground attack, while Cayden Adkins rushed for 51 yards and 2 td's on nine carries and Jacob Ledbetter rushed for 53 yards and one td on just three carries.

Alvin Henderson completed his only pass attempt for 14 yards to Trai Davis and Cayden Adkins completed 1 of 2 passes for 3 yards, with Davis pulling in all three catches for a total of 17 yards.

Keilyn Edwards rushed for 87 yards and one td on 20 carries and completed 10 of 15 passes for 144 yards and one td to lead Linden, while Jamarlon Adams had five catches for 136 yards and one td and Kareem Rembert had six catches for 64 yards.

Elba cheerleaders kept the spirit high last week in the Tigers 49-14 playoff win over Linden.

Elba Tiger fans made the long trip to Linden and were vocal in their support of the Tigers and over a couple of penalty flags in the big win.

## What does the Bible say about... God's Law?

Article written by Douglas Williams

"The law of the Lord is perfect, converting the soul; The testimony of the Lord is sure, making wise the simple; The statutes of the Lord are right, rejoicing the heart; The commandment of the Lord is pure, enlightening the eyes; The fear of the Lord is clean, enduring forever; The judgments of the Lord are true and righteous altogether. More to be desired are they than gold. Yea, than much fine gold; sweeter also than honey and honeycomb. Moreover by them Your servant is warned, and in keeping them there is great reward" (Psalm 19:7-11).

In these verses God's law is referred to as His word or ways, testimony, commandments, statutes, and judgments. These words along with precepts and ordinances are used over and over in the Bible to praise God's law. Psalm 119 is the longest chapter in the Bible with 176 verses, and nearly every verse speaks of the importance and blessings that come from obeying God's word.

Jeremiah 10:23 states, "Lord, I know the way of man is not in himself; It is not in man who walks to

direct his own steps." As a large ship in the ocean must have a captain and compass, so we must have a standard that is right in ethics and morals as a guide to direct our lives.

God's law is that standard of authority, the "perfect law of liberty" (James 1:25), that was specifically designed for us by our creator, and that is suitable for all mankind.

Human nature with our problems and especially our need for salvation from sin never changes, so God's law is always up to date. It never needs upgrading or improving because it is God's law. When we consider the Golden Rule of Jesus (Matthew 7:12), as an example, God's law is the best, purest, and noblest rules of conduct and guidance ever given to mankind.

We need to study, learn, and obey the message of God's law. This is especially true because it is the only thing that tells of salvation from sin through Jesus Christ and his death on the cross. This makes possible our great reward in heaven (Matthew 5:12), and not having to suffer in hell for eternity.

### The Snake

The story is told of a man who was walking through the woods on a cold winter day. As he was walking, he came upon a poisonous snake. Startled, he took a step back and noticed the snake was freezing cold. The snake looked up at the man and said, "Please, sir, pick me up and warm me in your arms." The man refused saying, "No. If I pick you up, you will only bite me, and I will surely die."

The snake said, "But, you would be helping me – why would I bite you?" The man thought for a moment while the viper continued to plead for the man to help him. Finally the man picked up the snake and put him inside his coat. As soon as the snake warmed up, he bit the man.

As the man was dying, he asked the snake why he had

bitten him.

The snake responded, "You knew who I was before you picked me up. You just chose to see me in a different light."

This is how Satan wants us to treat sin. He wants us to see it in a different light, so that he can steer us into excuses and rationalizations. Satan glamorizes sin and makes it look delightful, when it is actually destructive.

We must see sin as it really is, and we must see the one who tries to make us sin for who he really is too – the deadliest of serpents. – L.D.C.
